SUMMARY :

Electronics and Telecommunication engineering student seeking for an opportunity to work with an organization that will provide a platform to utilize my technical skills and enrich my knowledge to help in the process of organizational and self-growth. Apart from semi-technical branch I have strong problem-solving and development skills, Proficient and experience in PYTHON, HTML, CSS ,JAVASCRIPT, JAVA, MYSQL.

TECHNICAL EXPERIENCE

Study sync I website

- Study sync website features a user-friendly interface where you can easily navigate through courses, access information about various subjects, and find contact details.
- the design is clean and organized, ensuring a smooth learning experience.
- Git-hub: [https://tanujadesh.github.io/Study-Sync/]

Image Processing I Web-Page

- Created a photo search engine with a user-friendly front-end interface and a back-end powered by the Pexels API.
- The project involved integrating and deploying the system, resulting in a comprehensive tool for finding and utilizing high resolution images.
- Git-hub: [https://tanujadesh.github.io/Image-search-engineI/]

LINA : Voice-activated virtual Assistant I Python

- Designed and implemented LINA, a voice-activated virtual assistant using speech recognition and text-to-speech technologies.
- Enabled functionalities like web browsing, music playback, and news retrieval, enhancing user interaction through voice commands.
- Git-hub : [https://github.com/TanujaDesh/Lina-voice-activated-virtual-assistant]

WORK EXPERIENCE

MASS Technologies I Java Developer Intern   Feb 2023 - Mar 2023

- Built and deployed an efficient and expressive keyword search over encrypted data in the cloud using HTML, CSS, Java, and Firebase Database.
- Developed a user-friendly and efficient web page, demonstrating proficiency in front-end web development and database integration.

EDUCATION

Electronics and Telecommunication Engineering I SPPU

Dec 2020 - Jun 2024

- SMT.KASHIBAI NAVALE COLLEGE OF ENGINEERING

CGPA -7.83

ADDITIONAL INFORMATION

- Technical Skills: Python , Java , HTML , CSS , JS , MYSQL , OOP.
- Languages: English, Hindi, Marathi.
- , Certifications: IBM Python 101, TCS ION NQT-IT, VALUE ADDITION PROGRAM UNDER STP V ON JAVA ORGNIZED BY COLLEGE.
